So, this Henry was born circa 1816 – 43 = 1773. Two possibilities:

Baptism: 22 May 1774 St Anne, Turton, Lancashire, England
Henry Entwistle - Son of Edmund Entwistle & Susan
Abode: Turton
Occupation: Weaver

Baptism: 4 Mar 1775 St Anne, Turton, Lancashire, England
Henry Entwistle - Son of Joseph Entwistle & Betty
Abode: Edgworth
Occupation: Weaver

The 1774 one is probably a son of Edmund born 1752 f. William m Sarah Knowles.

The 1775 one is probably a son of Edmund's brother Joseph born 1756.

Either way, Henry was a first cousin of Henry (1766-1819) who was executed.

It is most likely that the Henry who married Ann at Bolton in 1799 was the one born in 1774 – because he named his eldest son Edmund (after his father). He was their only child and his father died in 1775.
